

ARGUS 017T Riot Helmet

The Argus 017T public order helmet with a thermoplastic self-coloured shell and high-impact polycarbonate visor is fully approved to the latest PAS 017 standard providing increased levels of protection and superb comfort with easy adjustment to individual head sizes. PAS 017 is a recent dedicated standard, drafted to specifically address the hazards encountered in modern-day policing. The helmet can be fitted with the Argus Signum dedicated communications system. Anti-mist, anti-scratch visors are available.
